(d) A number of steps have been taken by the Government to fight cyber crimes. It is a coordinated effort on the part of several agencies in the Ministry of Home Affairs and in the Ministry of Communications and Infomation Technology on an on going basis. The fight against cyber crimes involves Law Enforcement Agencies such as the Central Bureau of Investigation, Intelligence Bureau, State Police Organizations and other specialized organizations such as the National Police Academy and the Indian Computer Emergency Response Team (CERT-In). CERT-In has a role in developing appropriate Security Guidelines and other best practices to advise the systems Administrators of computer systems and networks all over the country to implement them so as to avoid the systems from being attacked by the hackers and other criminals. In the event of systems being attacked, CERT-In helps the victim organizations to recover their systems from the computer security incidents so as to make them operational at the earliest. Cyber Forensics is an emerging discipline which helps the Law Enforcement organizations collect evidence from the scene of crime. The legal framework for fighting cyber crimes is a part of the Information Technology Act, 2000. Central Bureau of Investigation and other police organizations have set up Cyber Crime Cells with police officers who have been specially trained in cyber forensics and also on IT security matters.

Provision of new telephone connections in certain states

89. SHRI RAMA MUNI REDDY SIRIGIREDDY: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the details of telephone connections of BSNL and MTNL surrendered or disconnected during the last two years, year-wise and State-wise;

(b) whether it is a fact that more than 17 lakh applications are pending for new telephone connection before BSNL/MTNL, particularly from the States of Andhra Pradesh, Kerala, West Bengal, Maharashtra and Tamil Nadu;

(c) if so, the details of break-up, State-wise; and

(d) what measures Government are taking to stop migration of these customers to other service providers?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) Details of the telephone connections surrendered or disconnected in respect of MTNL and BSNL during the last 2 years are given in Statement-I (See below).

(b) and (c) Yes, Sir. A total of 17.5 lakh applications are waitlisted in BSNL. Circle-wise details of waiting list of BSNL as on 31.3.04 are given in Statement-ll (See below). As regards MTNL, telephones are being provided on demand and there is no waiting list. However, as on 31.10.04, 14025 cases being "Technically not Feasible" (TNF) were pending in MTNL Mumbai. 971 recently booked cases are pending in MTNL, Delhi and these are in the process of being provided.

(d) Reasons for surrender/disconnections of landline telephones connection are switchover of subscribers from fixed line to mobile services and migration to other operators, as well as surrender of additional telephone lines.

Simplification of material procurement and close monitoring has been done for early provisioning of telephone and clear the waiting list. MTNL and BSNL are taking all measures including network upgradation, introduction of new services, emphasis and improvement in customer care services etc. to retain their customers and stop migration.

Statement-I

Surrender of Fixed line
